Welcome to the Occupational Health Assessment screening for healthcare students attending Higher Education Institutions (HEIs) within NHS Yorkshire and the Humber.

The further and higher education establishments and the NHS have a statutory and ethical duty to safeguard, so far as is reasonably practicable, the health and safety of students in training. There is a parallel duty to prevent harm to patients and the wider public arising from training activities.

The Strategic Health Authority is committed this duty and has introduced a regional quality standard approach that meets Department of Health best practice guidance. [Click here](#) for further details.

# The Online Health Assessment Development

- ▶ [SHA standards for Health Care Students](#)
- ▶ Opportunity to modernise the health assessment process
- ▶ Funding provided to develop the Online Health Assessment
- ▶ Project Group set up (end 2008)
- ▶ From specification, tendering to design and development
- ▶ Pilot & Final Product (September 2010)

# The Online Health Assessment Development – Contd.

- ▶ Designed to process the online health assessments with data then being transferred to the Occupational Health databases
- ▶ Change management – the development has the ability to respond to national developments without additional development cost
- ▶ The development meets NHS Information Governance requirements

# Demonstration by HEI User

## Health Assessment Administration

Welcome to the administration section for the Occupational Health Assessment screening for healthcare students attending Higher Education Institutions (HEIs) within NHS Yorkshire and the Humber.

The further and higher education establishments and the NHS have a statutory and ethical duty to safeguard, so far as is reasonably practicable, the health and safety of students in training. There is a parallel duty to prevent harm to patients and the wider public arising from training activities.

The Strategic Health Authority is committed to this duty and has introduced a regional quality standard approach that meets Department of Health best practice guidance. [Click here](#) for further details.

*Administration  
Login screen:*

# HEI User - Benefits

- ▶ Improved efficiency due to:
  - ▶ Reduced phone calls
  - ▶ Immediate access to shared information
  - ▶ Improved communication
  - ▶ Text and email reminders for students
  - ▶ Red flags for students who are close to the deadline

# Demonstration by a student

The screenshot shows the 'Health Assessment Online' interface for 'Yorkshire and the Humber'. At the top, there are navigation buttons: 'Save', 'My Account', 'Contact us', 'Help?', and 'Log out'. To the right, a 'Form Progress' indicator shows six steps, with step 3 being the current active step. The main section is titled '3. IMMUNISATION HISTORY'. Below this, a text box provides instructions: 'Have you ever had any of the following immunisations? Please indicate yes or no and date. If "yes" obtain documentary evidence. This is a mandatory requirement to take to Occupational Health on Course Registration.' The form contains a table with columns for 'Yes' and 'No', and a date field with a calendar icon for each row.

	Yes	No	Date
Diphtheria. Most recent.	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
Tetanus. Most recent.	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
Poliomyelitis. Most recent.	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
MMR (Mumps, measles and rubella/german measles) - Injection No. 1	<input type="radio"/>	<input type="radio"/>	<input type="text"/>
MMR (Mumps, measles and rubella/german measles) - Injection No. 2	<input type="radio"/>	<input type="radio"/>	<input type="text"/>

*Student  
Questionnaire:*

# Student User – Benefits

- ▶ Students prefer online systems to paper
- ▶ Easy to use
- ▶ It is clear what information is required
- ▶ Text and email can be used as reminders
- ▶ Access to their completed health assessment and certificate online

Note: The students responded very positively to the online system during the software pilot evaluation.

## ▶ Login by an OH user

The screenshot shows the 'Health Assessment Online' interface for a user named Fiona Bates. The page features a navigation menu with 'Home', 'Manage Students', 'View Courses', and 'My Account', along with a 'Log out' button. A 'Summary' section provides a quick overview of student status, with each item having a 'View' button to access more details.

Summary Item	View Button
There are 13 student(s) who have been provisionally cleared subject to vaccinations.	View
There are 8 student(s) who have been provisionally cleared subject to EPP clearance.	View
There are 7 student(s) who have completed their questionnaire but have not been provisionally cleared.	View
There are 1 student(s) who are currently 'Red Flagged'.	View
There are 2 student(s) who currently require a consent form sending.	View
There are 0 student(s) who had a consent form sent to them.	View

OH User Home Page:

# OH User – Benefits

- ▶ Improved efficiency due to:
  - ▶ Reduced phone calls (as HEI user)
  - ▶ Immediate access to shared information (as HEI user)
  - ▶ Improved communication (as HEI user)
  - ▶ Identification of students requiring OH input plus less input required for other students
  - ▶ Ability to transfer health assessment information to OH database
